

## § 537.110

## 5 CFR Ch. I (1–1–14 Edition)

(c) If an agency and an employee mutually agree to modify an existing service agreement to provide additional student loan repayment benefits for additional service (as provided by § 537.107(b)), the modified service agreement may stipulate that, if the employee completes the initial service period but fails to complete the additional service period, he or she is required to reimburse the paying agency only for the amount of any student loan repayment benefits received during the additional service period.

(d) If an employee fails to reimburse the paying agency for the amount owed under paragraph (a) of this section, a sum equal to the amount outstanding is recoverable from the employee under the agency's regulations for collection by offset from an indebted Government employee under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, or through the appropriate provisions governing Federal debt collection if the individual is no longer a Federal employee.

(e) An authorized agency official may waive, in whole or in part, a right of recovery of an employee's debt if he or she determines that recovery would be against equity and good conscience or against the public interest. (See 5 U.S.C. 5379(c)(3).)

(f) Any amount reimbursed by, or recovered from, an employee under this section must be credited to the appropriation account from which the amount involved was originally paid. Any amount so credited must be merged with other sums in such account and must be available for the same purposes and time period, and subject to the same limitations (if any), as the sums with which merged. (See 5 U.S.C. 5379(c)(4).)

### § 537.110 Records and reports.

(a) Each agency must keep a record of each determination to provide student loan repayment benefits under this part and make such records available for review upon request by OPM. Such a record may be destroyed when 3 years have elapsed since the end of the service period specified in the employee's service agreement unless any dispute has arisen regarding the agreement. If the service agreement has not been fulfilled, there are other disputes

regarding the agreement or the loan payouts, or the agreement has become the subject of litigation, the records should be kept until the agency is notified by agency counsel that all pending claims have been resolved, all litigation concluded, and any applicable periods for seeking further review has elapsed and, in any event, for a minimum of 6 years from the date the facts giving rise to the dispute occurred. If debt collection is pursued against the employee for repayments made by the agency, the agency must keep the records until the agency is notified by agency counsel that the debt is fully collected, compromised, or settled finally and that any applicable period for seeking further review has elapsed.

(b) By March 31st of each year, each agency must submit a written report to OPM containing information about student loan repayment benefits it provided to employees during the previous calendar year. Each report must include the following information:

(1) The number of employees who received student loan repayment benefits;

(2) The job classifications of the employees who received student loan repayment benefits; and

(3) The cost to the Federal Government of providing student loan repayment benefits.
